## DAVY CROCKETT.

The Bijou Company Give Another Excellent Performance at the Opera House.

The second evening performance by the Bijou Comedy and Dramatic Company was given Saturday at the Hawaiian Opera House. The audience was a large one, and as the piece progressed, a very enthusiastic one. The company contains some excellent and clever members, whose abilities have certainly earned for them and for the smooth renditions they give, nothing but words of approval.

The piece presented on this occasion was "Davy Crockett," an ideal romance of frontier life, with the following cast: Davy Crockett, Mr. Frank Cleaves; Major Royalston, Mr. Walter Adrian; Oscar Cramp-ton, Mr. L. Roberts; Neil Crampton, Mr. Fred. J. Atwood; Pearson and Big Dan, Mr. Horace Ewing; Yonkers, Mr. Francis Insley; Bobby Crockett, Miss Lillie Atwood; Eleanor Vaughan, Miss Lizzie Lingham; Dame Crockett, Miss Imogene Eberle.

Mr. Frank Cleaves had the principal character in the piece, and he played the part with much skill and naturalness. It afforded him ample scope for the exercise of his ability, and he was most successful, being loudly applauded at times.

Miss Lizzie Lingham, as Eleanor Vaughan, gave the part so well that she deserves the most appreciative acknowledgement. Genuine talent is recognized in this lady.

Dame Crockett, the mother of Davy, was capably acted by Miss Imogene Eberle, and Miss Lillie Atwood caused much amusement by her personation of Bobby Crockett.

Mr. Walter Adrian acted the part of Major Royalston with admirable effect. Mr. Ewing, as the parson, convulsed the audience with laughter when he showed fight. The other characters were well sustained.

The play depends a good deal for its success upon the mounting. The scenic effects were of the best, realistic and beautiful, and it was difficult to see wherein they could have been improved. The performance throughout was admirable and stamps the entire company as one of much merit.

## BASEBALL.

The Kamehamehas Take the Hawaii Into Camp to the Tune of Fifteen to Three.

The game on Saturday between the Kamehamehas and the Hawaii was played before an exceedingly large audience at the Makiki grounds. The grand stand was crowded, many ladies being present, the while grounds all round were lined with spectators. It was really the first game of the season played out, as on the previous Saturday the Honolulu and Stars, owing to rain, only played one innings.

The Kamehamehas looked well in their neat uniforms of navy blue and white, while the Hawaii were adorned in white uniforms trimmed with red and blue.

The Kamehameha team is nearly the same as last season. Mr. Richards, one of the teachers, plays this year and evidently knows a little about baseball. Davis, the pitcher, did fine work on Saturday, striking out no less than sixteen of the Hawaii, and keeping them down to six safe hits. His work was excellent, and he was well supported by Robert Pahau, the catcher. The Kamehamehas throughout played a good game.

Thompson pitched for the Hawaii, but was not so very effective, being hit for nine singles and two three baggers. He gets scared when there are men on the bases. Some smart work was done by Price at short. Self played well at first, while Luahiwa at third did considerable fumbling. He evidently wants practice as baseball players. Dan and Keohokalohe played well in their respective positions.

## THE PLAY.

First innings—The Kamehamehas went to bat. Pahau went out at first from Price. Wise made a nice hit to center which Hermann fumbled and he took his second. Crowell and Davis both retired at first. 0.—Rosa struck out, Thompson flied to Lawelawe and Price had three strikes called on him. 0.

Second innings—Mahuka, Lawelawe and Makaimoku all retired at first in one, two, three order. 0.—Keohokalohe was hit by pitcher, stole second, and was assisted to third by a passed ball. Luahiwa struck out. Dan made a base hit to right field on which Keohokalohe scored. Self failed to reach first and Sniffen got three strikes called before he knew it. One run.

Third innings—Wahinemakai got his base on balls and stole second. Richards hit to Price who fumbled and he took his first, Wahinemakai moving to third. Pahau made a base hit sending in Wahinemakai. Wise flied to Rosa. Crowell was hit by pitcher and took his first. Davis hit to Luahiwa who threw wild to first, Richards, Pahau and Crowell scoring. Mahuka retired at first and Lawelawe flied to Rosa. Four runs.—Hermann fanned three times, Rosa made a base hit to center but was put out attempting to steal second. Thompson failed to reach first. 0.

Fourth innings—Makaimoku was put out at first, Wahinemakai struck out and Richards went out at first from Price. 0.—Price struck out, Keohokalohe hit for two bases. Luahiwa fanned and Dan retired at first. 0.

Fifth innings—Pahau was hit by pitched ball and stole his second. Wise got in a nice three bagger, Pahau scoring. Crowell hit a fly to Self who muffed, Wise crossing the plate. Davis made a single to right and stole second, Crowell scoring. Mahuka retired at first. Lawelawe made a single to left field and Sniffen fumbling, he reached second, third on a passed ball and tallied on Makaimoku's out at first. Wahinemakai tried to hit the ball three times without success. Five runs.—Self hit between first and second and should have been given out but was not, however he directly afterwards made a failure in attempting to steal second. Sniffen got his first on balls and stole second, but Hermann and Rosa ended the innings by striking out. 0.

Sixth innings—Richards hit to third who made an overthrow to first the batter reaching third, and going home on a passed ball. Pahau got in a single to right field and stole second. Wise made a base hit but was put out between second and third. Crowell got in a sacrifice hit and with a wild throw by Keohokalohe, Pahau touched the plate. Davis was struck out. Mahuka rapped for two bases, Crowell tallying. Lawelawe flied to Price; 3 runs.—Thompson failed to reach first. Price hit to Lawelawe who threw wild, the batter taking his first and stealing second. Keohokalohe hit to right field for three bases, Price scoring. Luahiwa fanned the air three times with great skill, and Dan flied to Crowell. One run.

Seventh innings—Makaimoku and Wahinemakai both retired at first. Richards hit the ball to left field for three bases and tallied on Pahau's safe hit. Wise struck out. One run.—Self got to second on Wahinemakai's wild throw, and third on a passed ball. Sniffen and Hermann got laughed at by the audience for fanning the air vigorously three times. Rosa hit to Mahuka who fumbled and Self crossed the plate. Thompson flied to Mahuka. One run.

Eighth innings—The Kamehamehas retired quickly, Crowell at first, Davis on strikes, while Mahuka

flied to Sniffen. No runs.—Price was out on a missed third strike, and Keohokalohe at first. Luahiwa after reaching third on a muff by Richards at left field, was put out trying to reach home. No runs.

Ninth innings—Lawelawe made a safe hit to center and stole second. Makaimoku retired at first, so did Wahinemakai, Lawelawe scoring. Richards got to first on a fumble by Luahiwa, and moved to third on passed balls. He then made the prettiest steal from third to the home plate ever seen on the grounds. Pahau failed to reach first. Two runs.—Dan struck out. Self hit a safe one to left field, stole his second and went to third on a passed ball. The game ended by Sniffen and Hermann again giving an exhibition of fanning the air. No runs.

## A New Directory!

## Patronize Home Industry.

The HAWAIIAN GAZETTE COMPANY propose to issue a new DIRECTORY AND GAZETTEER of the Hawaiian Islands, to be based on the official census returns which will be taken this present year, 1890.

The population of this group is now about 90,000, and a complete directory should include at least 20,000 names. The official returns will furnish not only the names but also the residence and occupation of each person, and other data required for such a publication, which can be obtained in no other way.

There are 15,000 voters in the Kingdom, and the name of every one of them should be in any correct Directory. Yet no Hawaiian Directory heretofore published has contained more than one-third that number of names, even including several thousand Chinese in its list.

The facilities which the GAZETTE Establishment possesses for executing work of this kind are unsurpassed, as regards workmen, types and presses.

The advantages of having a HAWAIIAN DIRECTORY AND GAZETTEER printed in Honolulu, are these:

1st.—That the names and data will be obtained from official records, and therefore reliable.

2d.—The proofs can all be read by persons familiar with the names and places, and thus the many errors found in such books printed abroad will be avoided.

3d.—All the persons engaged in canvassing, compiling and editing the book will be residents here, including also the printers, binders and others, and consequently interested in the success of the publication and the progress and prosperity of our country.

Each full page advertiser will be entitled to one copy of the Directory gratis.
